

# Achievers

*Foundation course for your success*

## Workbook - 1

### Class 3

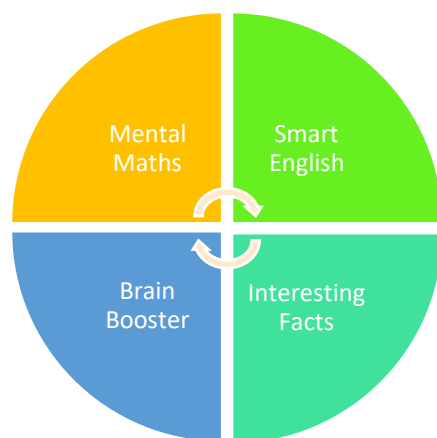

[www.mentorsbasket.com](http://www.mentorsbasket.com)

## ***Preface***

Most students and teachers think that the word "**Worksheet**" is a synonym for the word "*Boring.*" We envision hours of sitting still at a desk-silent busy working for them and hours of grading for us. But worksheets still have a place in your classroom? In an age of open inquiry and problem-based learning, your child can still find power in a simple paper and pencil activity by practicing MENTORS BASKET WEEKLY worksheets.

Achievers Model bring to your child an opportunity to develop academically as well as for the competitive World. The Learning Process of every child is dependent on One's Ability to think logically and reason Quickly and effectively. These two factors are hence very crucial to a child's progress in education.

Mentors Basket Achievers weekly workbook covers Mental Math, Smart English, Interesting Facts and Brain Boosters. These Powerful worksheets can help in building number sense, computational thinking, and problem-solving skills in your child at beginning of the foundational years. **Every Month we would be providing 3 Workbook and 1 Challenge Workbook, each of these are designed at different levels and standard wise. We would be providing upgraded workbooks, that makes the child to look forward to challenges. Weekly Workbook would be consisting of the following content:**

It is a unique way to provide differentiated brain-building work for different learners.

***Strong Foundation Helps to Build Brighter Future***

## Design Framework

The Sample Workbook Consist of the topics as under:

- **Mental Maths** - We want our students to be able to understand content and concepts. We also want to stretch them to think and approach problems in new ways. This editable graphic organizer can help them do that! Challenge the students to solve a math problem more than one way. Have them explain how and why they solved it with their given strategy. Over time, we can see how mathematics can be transformed into a subject that is not only fun but also challenges students' creativity and independent thinking.
- **Smart English** - The study of English Language Arts, or speaking, listening, reading, and writing, is critical both to academic success and to life beyond school. Without the skills learned in language arts, students cannot achieve any kind of mastery in any of their coursework. Good communication skills are necessary for every career field, so these on-demand workbooks give your students the mixed review of grammar, spelling, and writing skills that will enable them to practice their language arts skills in a fun and diverting manner, ensuring that the skills they have learned will Supplement their language.
- **Brain Boosters** – The students need to be aware of what is happening Locally, Nationwide as well as Globally and what can be more challenging to the brains then answering some General Knowledge. We have designed worksheets that will give them an edge in competitive exams as they are more aware of the information.
- **Interesting Facts** - Academically we tend to focus more on the book knowledge, so now we want the child to be introduced to some interesting facts that can help them lead a discussion or lead in debates , competition and be a PRO kid. These interesting facts will increase their limited area of knowledge and make them more competitive and smarter.

| 7               |                |              |                         |

## Smart English Worksheet 2

### 1. Uncover the story in the picture below:

Give an Interesting Title? \_\_\_\_\_ RAINY DAY \_\_\_\_\_

What is going on? Write as many ideas as you can fit in the box?

It is a rainy day. The clouds are dark and heavy, the wind is blowing very strong. The Girl in the picture is struggling to held on the umbrella, which is already upturned. The girl is very scared and soaked in water. The are small puddle of water on the road, were two little ducks are dancing on the arrival of the rains. The girl's feet are also dipped inside the puddle. The flag near the building also flying upright due to strong winds. I love rainy days, because it is so much fun to get wet in the rains and sail paper boats in the puddle of water.

| 5 Marks         |                |              |                         |

### Smart English Worksheet 3

1. Did you know that you don't always have to use the word **HAPPY** in your writing?

Try to use different words for an overused word like **HAPPY**.

Circle words to the RIGHT or DOWN. Every letter is used exactly ONCE.

Write the words found.

| CONTENTED     | DELIGHTED |          |
|---------------|-----------|----------|
| LIGHT HEARTED | JOYFUL    | ECSTATIC |
| BLESSED       | ELATED    | MERRY    |
| GRATIFIED     | JUBILANT  | BLISSFUL |
| CHEERFUL      | OVERJOYED | JOYOUS   |

2. Some words may be new to your vocabulary, Now make two sentences with any of the new words that you found interesting and can express happiness. Use it often in your day to day conversation to remember it.

- I am blessed to have my parents
- I feel joyful and cheerful when I meet my friends

3. Now rewrite this passage without using the word **HAPPY**

Dan was happy today. He was happy about going to school. He was happy about picking pumpkins. He was even happy about taking a nap. Then he could stay up late for the Halloween party, and that made him really happy!

Dan was cheerful today. He was overjoyed about going to school. He was joyous about picking pumpkins. He was Even blissful about taking a nap. Then he could stay up late for the Halloween party and that made him really jubilant.

### Mental Maths Worksheet 3

1. Add the digits on the caterpillar on both the side and state whether it is TRUE OR FALSE.

**True or False**

19: 14 + 2 + 3 = 8 + 1 + 10: 19

17: 11 + 4 + 2 = 9 + 4 + 1: 14

17: 12 + 2 + 3 = 8 + 1 + 8: 17 **True**

18: 4 + 9 + 5 = 1 + 9 + 4: 14 **False**

19: 6 + 6 + 7 = 5 + 8 + 2: 15 **False**

19: 17 + 1 + 1 = 11 + 5 + 3: 19 **True**

**ADDITION In the Dirt**

Eleven worms live here.  
Draw more worms to equal eleven.

2 2 1

1 1

2. Find the missing digit under the rock.

**How many are under the rock?**

9 + 4 = 13

6 + 5 = 11

8 + 7 = 15

12 + 8 = 20

8 + 9 = 17

10 + 4 = 14

## Did you know these Interesting Facts! - Fun Dog Facts

Enjoy these fun dog facts that deliver a variety of information about interesting breeds, puppies, guide dogs such as Labradors and much more. As the famous saying goes, dogs are man's best friend. Whether it is as reliable workers, family pets or loyal companions, dogs are wonderful

domestic animals that offer a few qualities that are put to good use by humans.

- In total there is said to be around **400 million dogs** in the world and **100s of different breeds** of dogs.
- Examples of these **breeds** include: Bulldog, German Shepherd, Collie, Golden Retriever, St Bernard, Greyhound, Bloodhound, Chihuahua, Labrador, Great Dane, Rottweiler, Boxer and Cocker Spaniel.
- Dogs **perform many useful tasks** for humans including hunting, farm work and security as well as assisting those with disabilities such as the blind.
- Although experts often disagree, there is scientific evidence which shows that the **domestication of dogs** could have occurred more than **15,000 years ago**.
